Dear Mr. Wesson:

CALIFORNIA PUBLIC RECORDS ACT REQUEST

This letter is the Los Angeles County District Attorney's Office's response to your California Public Records Act (PRA) request for:

"a copy of the DA's Office California Public Records Act request logs for calendar years 2017-2019. These logs should include a request date, description of records requested, requester organization (if applicable) and current status of the requests."

We believe that we have records that are responsive to your request. However, your request seeks a voluminous amount of separate and distinct records that must be individually examined, categorized, and then compiled in a format before they can be disclosed. We will do our best to provide the information to you, but because of the number of records involved, we cannot specify a completion date. We will keep you informed.

Please feel free to contact me if you have further questions. Thank you for your patience.

Very truly yours,

JACKIE LACEY
District Attorney
